Village Map
Heritage Village • Southbury, CT 06488

Since Heritage Village was developed, preserving as much as possible the naturalness of the land, it does not follow a neat grid pattern. However, the Village can be divided into four general quarters, fanning out from the Village Center near the commercial area.

Village Center consists of most of the major facilities located on or off Heritaege Road, beginning at Hill House Road and extending through the upper parking area at the Activities Building.

Middle Village, which is the most populous segment, surrounds the Village Center. It includes Condos 2, 3, 4, 5, 6, 11A-11B, 14, 15A-15B, 16, 17 and 24.

Village South is the Hilltop area and is off East Hill Road. It includes Condos 7, 8, 9 and 10.

Village Northeast is the Hilltop area and is off East Hill Road. It includes Condos 18, 19, 20, 21, 22 and 23.

Dimensions, proportions, scale and shapes, although fairly representative, are not exact.

A cluster is identified by one number over another number, for example 362A means that buildings 362 through 365 constitute this cluster. Within the cluster are units 362A, 362B, 363A, 363B, 364A, 364B, 364C, 364D, 365A, 365B.
